HOW YOUR 3 CORPORATE INTERVIEW OPPORTUNITIES ARE MATCHED & TRACKED

1. Degree & Cutoff Alignment

Your TPO-verified branch, CGPA, and active backlog status are matched against live employer role criteria.

2. 9-Area Strength Matching

Students with strong technical/analytical scores are routed to engineering/data roles; strong communicators to commercial/operations tracks.

3. Confirmed Interview Invitations

You receive confirmed interview slot invitations (campus or multi-campus pooled drives) directly in your student dashboard.

4. Tracked 0/3 to 3/3 Quota

Every completed interview updates your counter (0/3 → 3/3). Priority routing continues until all 3 verified interviews are facilitated.

STUDENT PROGRAMME OPTIONS

Choose Your Programme Track: Standard Track (₹1,180) vs Extended Readiness Track (₹2,950)

Both tracks include the 9-Area Job-Readiness Assessment, a verified student profile, and **3 Verified Corporate Interview Opportunities within 12 months of assessment completion.**

🚀 5-SECOND COMPARISON: WHY PAY ₹2,950 INSTEAD OF ₹1,180?

Standard Track — ₹1,000 + 18% GST = ₹1,180

Assess + Verified Profile + 3 Corporate Interview Opportunities. Best if you are confident taking the 9-area assessment right away with a single official attempt.

Extended Readiness Track — ₹2,500 + 18% GST = ₹2,950 (+₹1,770)

Everything in Standard + Preparation Modules + 2nd Assessment Attempt (Best Score Kept) + Priority Consideration for Pooled Drives. Best if you want a baseline diagnostic first, guided preparation to improve weak areas, and a second attempt so employers see your higher percentile.

✓ Important Programme Terms & Merit Boundaries

- PlacementConnect provides a 3 Corporate Interview Assurance (3 verified corporate interview opportunities within 12 months of assessment completion for eligible students, subject to programme eligibility and attendance terms)—not a guaranteed job offer. Final selection decisions always rest on candidate merit and employer evaluation.
- Definition of a Verified Corporate Interview Opportunity: A confirmed first-round corporate interview slot with a registered employer for a fresher role matching your degree stream and academic eligibility criteria.
- Definition of Priority Pooled Drive Consideration (Extended Track): When you meet an employer's academic and 9-area cutoff for a multi-campus pooled hiring drive, your profile is placed in the first-wave shortlist batch presented to the hiring team.
- Eligibility requires completing the 9-Area Employability Assessment, maintaining verified college enrollment, and attending scheduled interviews without unexcused absences.

- If PlacementConnect does not facilitate 3 verified corporate interview opportunities within 12 months of assessment completion for an eligible student, 100% of the base programme fee (₹1,000 or ₹2,500) is refunded; statutory 18% GST remitted to tax authorities is non-refundable under Indian tax law.
