

3-Interview Assurance & Confirmed Employer Capacity

How the 3-Interview Assurance Works

A defined commitment to **3 Verified Corporate Interview Opportunities within 12 months of assessment completion** for eligible students.

Complete your readiness assessment, enter the verified interview pool, and receive confirmed, role-matched corporate interview opportunities through participating employers and institutions.

Programme eligibility and assurance terms apply.

01 / Readiness

Complete the 9-Area Job-Readiness Assessment

Enrolled students complete the 36-item timed evaluation across 9 core competency areas to establish their verified readiness profile and shareable digital scorecard.

02 / Employer Capacity

We Secure More Interview Capacity Than the Number of Students We Commit To

We expand student intake only when sufficient confirmed employer interview capacity is available in our active hiring pipeline (maintaining at least a 1.20× capacity reserve).

03 / Assurance

100% Base Fee Refund Protection

₹1,000 or ₹2,500 base fee refunded; statutory 18% GST excluded.

If 3 verified corporate interview opportunities are not facilitated within 12 months of assessment completion for an eligible student, 100% of the base programme fee is refunded.

 CANONICAL DEFINITION

What Counts as a Verified Corporate Interview Opportunity?

A confirmed first-round corporate interview slot with a registered employer for a fresher role that matches the student's degree stream and academic eligibility criteria.

 WHO QUALIFIES?

Who Is Eligible for the 3-Interview Assurance?

The 3-Interview Assurance and 100% base-fee refund protection apply to every enrolled student who meets three straightforward requirements:

✔ 1. **Assessment Completion:** Complete the 9-Area Job-Readiness Assessment (the 12-month assurance window begins upon assessment completion).

Every scheduled and completed interview updates the student's tracked counter from **0/3 through 3/3** in both the student dashboard and the college TPO workspace.

- ✔ **2. Verified College Enrollment:** Maintain active, TPO-verified enrollment and accurate academic records (CGPA, branch, backlog status).
- ✔ **3. Interview Attendance:** Attend scheduled corporate interviews matching your eligibility without unexcused no-shows.
